

# Soleil Vivarais

Air and water in equal quantity

## A rich dose of abundant greenness

At the heart of our village you will find everything quiet, pleasant and calm. Glide into the blue water of our swimming pools, relax in the shade, or treat yourself to a glass in the sun. Breathe. Go back to nature, awaken your senses, enjoy the refreshing water of the Gorges de l'Ardèche. Spend your holidays as a family, as a couple or with friends; spend them exactly as you so desire. In our village, a good dose of sunshine will make your holiday a memorable one.

A green peninsula surrounded by clear, fresh water. Our village lies right there, in the sun, between a vast river beach and a magnificent cliff face: enjoy nature in its purest form. The Ardèche offers you a voluminous holiday.

## Just the right dose of activity for a good dose of relaxation

An immense volume of nature for you to spend your energy in any way you wish: canoeing, hiking, fishing, climbing, canyoning or horse-riding. Within the village walls we have tropical swimming pools, aqua-gym, step, archery, sports tournaments, pétanque, tennis. In the evening you can participate in our shows: cabaret, dancing, the big show, the mini show. We are here to entertain you and to make sure you are having an excellent time, during the day as well as in the evening.

Find your balance between relaxation and activity. Enjoy the comfort of our facilities, discover the peacefulness of the quarter 'Les Jardins', the atmosphere of the quarter 'La Rivière'. It is all there, waiting for you: the river, the swimming pools, the bars, restaurant, pizzeria, supermarket... Our team will welcome you and will look after your wellbeing. In our village, you can be relaxed, be free, be you...
